2005

*With unyielding patience, we have conquered the past twelve years  
And through it all we always saw the future from afar.  
In return we have evolved, expelling adolescent fears,  
Now we are faced with endless possibilities: to climb, to remain, to fall?  
And so it is inevitable that relationships will fade  
That decisions you will make may not always result in the best.  
It is equally undeniable that new friends shall be made  
That every decision-bad or good- ultimately serves as a test.  
So fear not this world that so many render 'real'  
Sieve every experience possible, and from these grow within.  
Do not let life surpass you, do not forget to feel  
And celebrate your knowledge, celebrate where you've been.*

**Congratulations  
to the  
Class of  
2005!**

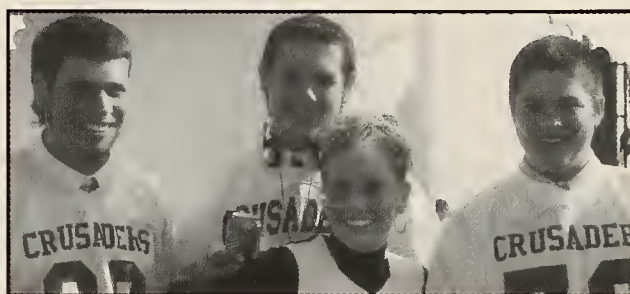

If only I had one wish I'd want a million trillion life times that *I could spend with you*

"i never had any closer friends than the ones i had when i was young"

"Please don't forget who you really are, 'cause nothing really matters when we're gone"

Life is only as good as the **memories** we make

We'll be miles apart/ I'll keep you deep inside/ You're always in my heart/ A new life to start/ I may be leaving/ but you're *always in my heart*

"And we sit 'round here in our hometown, *it's so good like this*, these are the times we'll miss. The memories, *I hope they'll never fade*"

"Do you remember the things we did/ and what it's like to be a kid?"

And tonight will go on forever / while we walk around this town like we own the streets / and stay awake through summer like we own the heat/

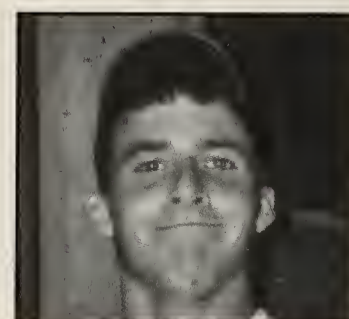

My Heart Ticks In Beat With These **Kids That I Grew Up With**

Lets go... don't wait... this night's almost over. Honest... let's make... this night last forever.

"You're what makes New England so great"

Awwwwwww Yeah!!!!

With a final record of 9-7-4, the 2004 Lady of Crusaders qualified for the South Sectional Tournament. The only girls team in school history to win a postseason game, the Lady C's eliminated Bristol-Plymouth from the tourney by a score of 6-0. They lost the next to an outstanding Norwell team that was one of the best in Eastern Mass.

One of the best teams in school history, the Lady Crusaders were led by a group of seniors who had been playing soccer together since they were little kids. They leave behind several talented underclassmen who will no doubt continue the precedent already set and hopefully carry on the success of the program.

# Remember When...

Steve K hit Lindsay in the face with a bottle  
 Conor had wicked long hair.  
 I broke Davie's computer  
 Remember when Ling Ling forgot her bling-bling?  
 Mike did a front flip through one of Mr. Ewells tables  
 The dog got punted off the bridge! Tad and Macguire got very close.  
 Jim broke the hottub, I broke Dan's sub, I beat on Dan constantly.  
 Everybody got into a car accident  
 The boys soccer team won the league title  
 Jim McEachern ate dog bones at Kevin Carey's.  
 Melissa fell down the stairs  
 Petey Pablo and Rhonda landed on Plymouth Rock.  
 Jessa & I ran out of gas on our way to school in my driveway  
 Belgians attacked Corey's house!  
 Alicea went out with a guy who wore rainbow suspenders, multi-colored braces, and clog hoppers.  
 We stole Carly's uncle's walker...

Yo-yos were the coolest toy  
 Mr. Barakat let us play 4-corners.  
 Matt C called Mr. Lucie's home phone  
 We beat Hull on Senior Night for our second win.  
 Danielle was "Nancy Green"  
 Sheri and Steph made Sarah eat a dog treat  
 All Conor wanted to do was somersault!  
 Taryn was a poodle...

The girls soccer team got out to practice on time...  
 Mr Davies had to jump in front of Vita so she wouldn't attack Erin  
 Rocky got pantsed  
 McEachern's pants fell down during the Mashpee game  
 Grant rushed for 1,000 yards  
 We all had the best nicknames...

The football team was good  
 Emily gave out chocolate laxatives...  
 Wicked Tough came to school and rocked wicked hard  
 Matt shaved his head  
 Mr. Goode's class  
 I gave Terry wedgies everyday at her locker  
 Fireworks were not shot at people  
 Waterslides were for one person ONLY.  
 We threw the best Jr. Prom ever!  
 Obstructed View  
 Lisa and I were rollerblading at 1:30 AM  
 Damon was always the biggest wimp  
 Mrs. Warner slipped and fell behind her lab bench  
 Terry didn't know buffalo wings were made from chicken,  
 Steph and I stole signs everyday  
 We went to New York in 8th grade

# Oh, the memories

The lockers "fell" in the boys locker room  
The football team said they were going to be good.  
Graduation couldn't come soon enough  
I left Carver Schools for Bristol and had to come back  
Amanda saw a snow man, scared herself and almost slipped on the ice.  
Conor ran down the old woman. AHH my umbrella!  
The Patriots won the Superbowl, and the Red Sox won the World Series.  
Me, Casey, and Eleana were walking in gym and Eleana found a long pipe and we  
each grabbed an end and started running with it, and I tripped over a rock and  
fell.  
When I got sucked up by a three-wheeler  
I fell asleep in the dressing room at work  
trampoline wrestling  
mini-van adventures  
I was not doing Calculus because i dont  
Dave asked me out in Borders  
Amanda slipped on ice because a snowman  
scared her.  
Cumberlands was free.  
Jacque pulled a chair out from Lisa at lunch.  
When Jacque lost her knees  
Mr. Evans didn't wear a sweater vest...  
The Crew got kicked out of the Plymouth dome  
Falling asleep in Jeep in front of Kevin's cousins.  
Dean thought he could feel his hair grow.  
Bush was reelected  
No one wrote their biography for Mr. Evans  
We didn't go out to eat  
everything we said was from "Napoleon Dynamite" or Will  
Ferrell  
We went on a "gander"  
When we went formal to the Spaghetti Dinner  
When Steve S took out Coach B playing softball in gym  
I made lasagna at 2AM at Kurts  
Dave left the dome light on.  
Me, Steve, and Jen ate pies with credit cards  
Frac hit me in Norwell  
Kurt broke his hand but didn't know, and kept playing football  
Dave rode the scooter  
Jon threw up at lunch...everyday  
Dave didn't have the Wadsworth charm? Oh wait that never  
happened.  
Dan was fat  
The answer was "Quebec"  
Steve M. passed out during math baseball  
Crayfish races  
Rocky broke the chair in the auditorium  
Terry thought the capital of Chile was Argentina  
Chip got a Saturday for throwing a french fry.  
Ms. Jaroche chased Sarah down to make her sing about  
"moles"  
Terry did the "banana dance"  
Sheri and Steph burnt off Andrea's hair  
Jacque got bit by a rattlesnake.  
Yellow caution tape!  
Dave gave that sweet campaign speech

# Powder Puff Game 04

Even in the cold rain, the Junior and Senior girls were battling hard out on the Purchase Street field. The Juniors, with a poor showing, were dominated by the Seniors, with a score of 42-0. The Senior girls could not have done it, however, without the brilliant coaching of David Wadsworth, and the support of the rest of the class. GO 05!!

A real friend is one who walks in when the rest of the world walks out.

The only way to have a friend is to be one.

Don't walk in front of me, I may not follow. Don't walk behind me, I may not lead. Walk beside me and be my friend.

True friendship comes when silence between two people is comfortable.

## These Moments by Jim Orth

Cherish these moments like there's no other  
 Don't forget your friends who you treated like your brother  
 Remember the good times each and every day  
 Memories you made will never fade away  
 High school was a blast from way back when we started  
 and now it's the final days; it's almost over  
 People have come, and people have gone  
 There's been pain, happiness, and tears all along  
 Through it all we have fought to succeed  
 To make it in life; to fulfil the need  
 Now time is up; it's time that we're parted  
 People are going to work, Armed Forces as well as college  
 Just remember one thing  
 The Place where it all started !!

# Jim Orth

Jim,

Since the time you were born your mother and I had great dreams for you. As time passed by, the things you have learned along the way have shown us that you are a caring person with great values. You have always put your family first, and made us proud. when we look back to the times when you were a little boy, that smile on your face would always make us laugh. Your strengths in life have to be your strong will & determination. That is why we think you will always be a leader. As my father told me and I have told you "never be a follower, be a leader".

Well you have accomplished that and we are so very proud of you Jim. As you finish your time at Carver High School always remember your friends, Friday nights, your eighteenth birthday, and the football games. Cherish these memories. We want to congratulate you for your honor, integrity, and strength. Good luck in college, try to always choose the right path, but always remember that whatever path you choose you mother, sister, and I will always be there for you.

We love you Jim! Love always  
Dad, Mom, and Jordan

# Carly Maltais

Carly.....Congratulations on a job well done! Always remember.... the influence you have over come out your life.....is as powerful as your willingness to exert it!

Love Dad, Sue, Kristen and Ashley.

# Erica Hosford

Ric,

It's been an honor and a privilege watching you grow up! We are so proud of the person you've become. Always believe in yourself and you will go far!

Much love and happiness!

Mom, Dad, Zach and Sam

# Chris Mitchell

Chip,

One of the first things we remember about your eminent birth is that the doctor asked if she wanted you delivered caesarian on Thursday, March 12, or Friday, the thirteenth! I stepped in and said "No way will he be born on Friday the thirteenth, that's bad luck!" So...you were delivered on the 12th. Talk about good fortune! Right from the start, you were the son we had always hoped for! We hoped our new son would be a kind, caring, considerate individual; one who would strive to be the best he could be. A hard-working, fun-loving child (then young adult) with integrity and good moral fortitude. A child who would be well-liked and admired by both adults and peers. You are all these things and more! We couldn't be any prouder if we tried! Mom and I know you are destined for great things in the future, even when you were that small child so many years ago. Enjoy the future! Embrace it! Enjoy life's ride as we will, watching you become the outstanding adult we knew all along you would be...Congratulations! Love Mom, Dad, Mary-Kate, and Sarah.

# Gym Interns

To Ryan, Peter, David, and Kenny,

To be a gym intern was your one true desire because my big beefy biceps were what you admired. I taught you to lift and pump heavy weights so that while away at college you could get many dates. Always remember that to be a good gym teacher takes lots of big muscle to push in the bleachers. That is why I look like I do, it's not just the pasta and Mr. Ragu, but now with all kidding aside, you guys were the greatest and gave us the best, we'll miss you next year so come back as our guests.

To Kristen,

Your committment to excellence stood above the rest, you play to win and do your best. You listened to instructions and helped out with drills and tried to inspire everyone's skills. In tennis or soccer and street hockey too you helped the teachers the whole way through. Teaching reproductive health was a hard lesson but you made it and pulled through every session. Just remember to believe in yourself and never give in because these are the simple tools needed to win. Thanks for all your help and enthusiasm this year. We wish you good luck with your future endeavors. May you be successful at all you wish to achieve and remember to work hard.

Sincerely, Mr. Fraccalosi, Mrs. Noyes, Mrs. Robidoux

Precious Sarah - Wow, how quickly the time has passed by. We've watched you grow from a tiny bundle of energy to the confident young woman you are today. **Best Friends are the people worth living for.**

True friendship is when two friends walk in opposite directions, yet remain side by side.

A real friend is one who walks **in** when the rest of the world walks **out**.

Best friends make life worth living.

A friend understands even when your thoughts aren't fitting into words.

I live for the nights that I won't remember, with the friends I will never forget.

# \*...Glory Days...\*

## Class of 2005

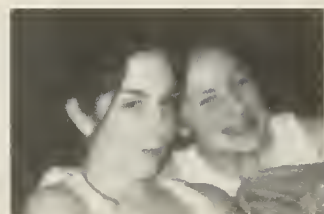

*I never had any closer friends than the ones I had when I was young.*

Friendship is the hardest thing in the world to explain. It's not something you learn in school. But if you haven't learned the meaning of friendship, you really haven't learned anything.

A friend is someone who lets you have total freedom to be yourself.

Truly great friends are hard to find, difficult to leave, and impossible to forget.

*Friendship needs no words...*

**A FRIEND  
IS ONE  
WHO  
KNOWS  
ALL ABOUT  
YOU AND  
LIKES YOU  
ANYWAY.**

*Good friends are like stars, you don't always see them, but you know that they are always there.*

*The only way to have a friend is to be one.*

**A true friend is someone who is there for you when they'd rather be anywhere else.**

## Dave Knight

Carver High School has been fortunate enough to have a mentor, coach, and an enthusiastic hall monitor, all in one. Dave Knight has been devoting his time to the students and faculty at CHS.

“He is always there smiling and eager to talk to you.. it’s almost like he wants you to miss class so you can come and see him!”

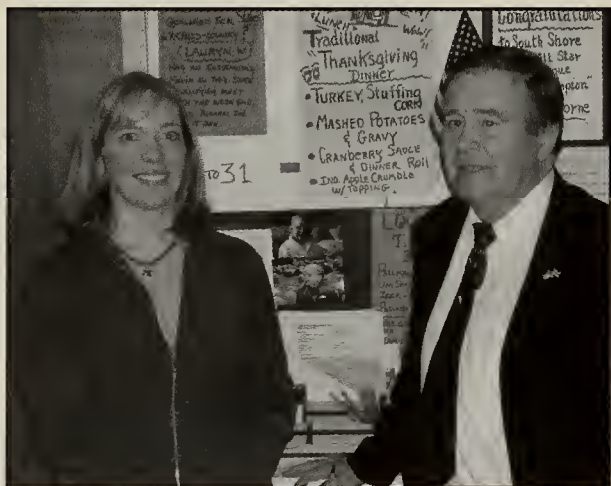

Fran

“Mr. Knight clearly loves the students at CHS. He always looks out for their best interests. He is encouraging and positive to all of the students and the staff as well. Kudos Dave!”

Mrs. Metrano

“Mr. Knight has done a wonderful job promoting respect and responsibility in the hallways of Carver High.”

Mr. Knief

“I have never met a more devoted and respectable man. He never misses a soccer game and I do not think he realizes how much it means to us. Thank you so much.”

Dave Wadsworth

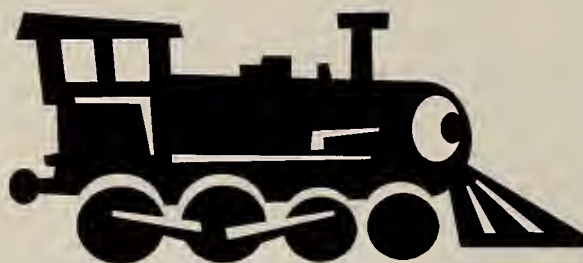

Mr. Knight’s involvement goes beyond this schools’ boundries. He has coached sports teams at Stonehill, worked for a Chamber of Congress executive, and he donates his time regularly at a children’s hospital. Mr. Knight has truly dedicated himself to make people smile all of his life and continues even today as our wonderful hall monitor. We love you, Mr. Knight.

“He is always interested in sports and supports the high school teams!”

# NEWS

## THE NATURE OF THE BEAST

We started the year watching Mother Nature repeatedly batter the US east coast with hurricanes. Then we watched as Martha Stewart weathered her court battle. And the climate in Iraq became hostile prior to the country's first democratic election. But all of that seemed trivial after the Decemer 26 tsunamis in South Asia. Not only were they the biggest news event of the year, but they rank among the most devastating natural disasters in history.

### FLORIDA HURRICANES ►

Schools along the east coast have a hard time getting started because of hurricanes Bonnie, Charley, Danielle, Earl, Frances, Ivan and Jeanne.

### ◀ ASIAN TSUNAMI

Earthquakes in the seabed of the Indian Ocean measuring 9.0 on the Richter scale trigger tsunamis all across South Asia. The tsunamis devastate villages and resorts in more than 10 countries, leaving over 280,000 people dead or missing.

### WAR IN IRAQ ►

Major fighting continues in Iraq. As US forces try to bring democracy to Iraq, insurgents carry out a series of attacks discouraging Iraqis to vote in the country's first democratic election.

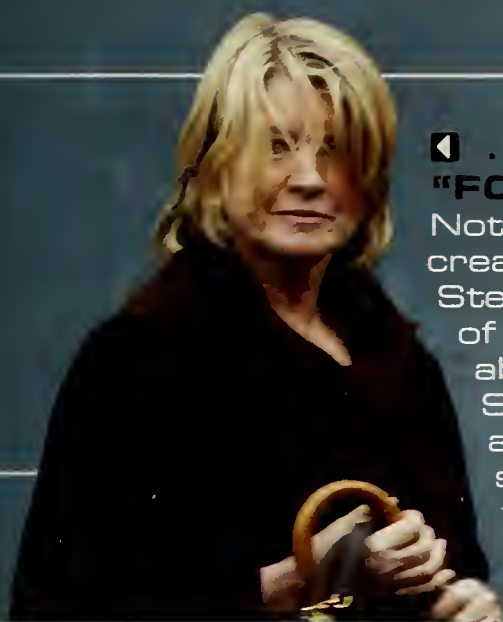

## SEARCH FOR ► "FORTUNES MADE..."

Google's co-founders Larry E. Page and Sergey Brin become billionaires overnight after their online search engine's stock goes public.

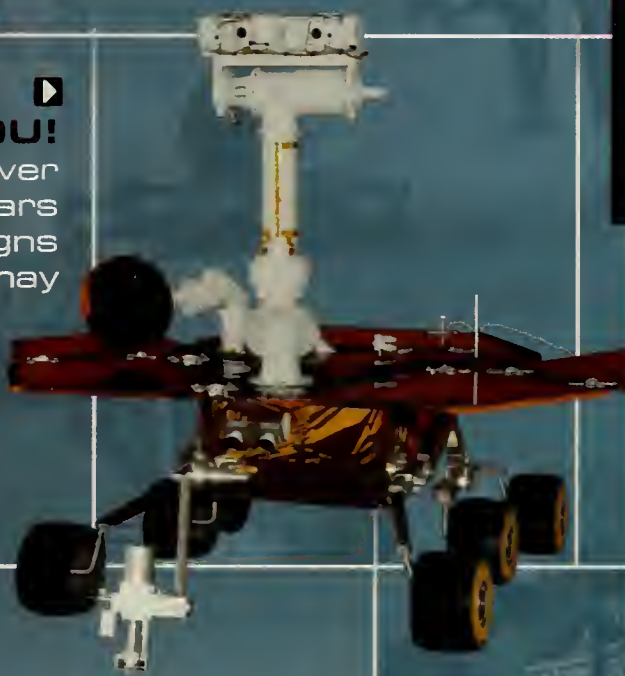

## ◀ ...THEN SEARCH FOR "FORTUNES LOST"

Not all stock market deals create billionaires. Martha Stewart was convicted of lying to investigators about her sale of ImClone Systems stock and serves a five-month prison sentence followed by five months under house arrest.

## WE'VE GOT SPIRIT, ► HOW 'BOUT YOU!

The Exploration Rover Spirit explores Mars and discovers signs of water, which may indicate life on the red planet.

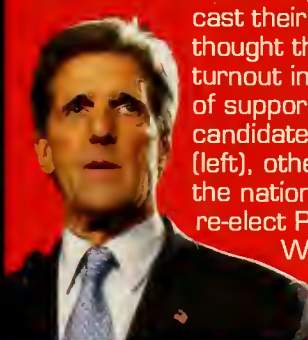

## ▲ OUT-OF-THIS-WORLD VACATIONS

Burt Rutan wins the \$10 million X-prize when his SpaceShipOne travels outside of Earth's atmosphere. Can tourism in space be far behind?

## ELECTION '04

The 2004 Presidential Election had the potential to be as close and controversial as the 2000 race. Nearly 120 million Americans voted on Election Day, the highest turnout since 1968. Some citizens waited in line for as long as five hours to

cast their vote (below). Many thought that the high voter turnout indicated a surge of support for Democratic candidate Sen. John Kerry (left), others speculated that the nation was rallying to re-elect President George W. Bush (above).

And after the polls closed on November 2, 2004, many Americans went to sleep without knowing who their next President would be. Ohio was "too close to call," and held 20 electoral votes, enough to bring victory to either candidate. As the votes were counted, it became evident that Bush would carry Ohio with over 100,000 votes. Wanting to avoid a repeat of the 2000 election scandal, Sen. John Kerry called President Bush on the morning of November 3 to congratulate him on his victory.

## FROM ANTI-HEROES TO SUPERHEROES

This year kept us rooting for the underdog at the theater. We pledged allegiance to Average Joe's in dodgeball, we pined for Spongebob and Patrick to prevail over Plankton, and we campaigned with Napoleon to put Pedro in office as class president. The odds were stacked against Harry Potter, the incredible Parr family, and the Permian Panthers as well. Be it a big-budget blockbuster or an inexpensive indie-flick, as long as there's a good story along the way, we'll see our heroes through thick and thin until the credits begin to roll.

### DODGEBALL ▶

Ben Stiller strikes again, bringing the obscure sport of dodgeball to the silver screen in *Dodgeball: A True Underdog Story*.

### ◀ INCREDIBLE FAMILY

Mr. Incredible and the rest of the Parr family are called out of early retirement to save the world in *The Incredibles*.

### FRIDAY FEVER ▶

In *Friday Night Lights*, football is shown to be more than just a game for the Permian High Panthers of Odessa, Texas

#### ◀ FIRST DAUGHTER

Samantha Mackenzie just wants a normal college experience. But being the President's daughter makes her life anything but ordinary.

#### ◀ DYNAMITE EXPLOOES

After getting a lot of attention at independent film festivals, *Napoleon Dynamite* releases nationwide to sweet ticket sales. The high school anti-hero gets his friend Pedro elected as class president, and he's also pretty good with a bow staff.

#### HARRY POTTER III ▶

Harry, Ron and Hermione return for their third year at Hogwarts, where the teens face a dangerous escaped prisoner and the equally foreboding Dementors.

#### ▶ MOM, MEET MY OGRE

In *Shrek 2*, Shrek faces his biggest challenge yet: The in-laws. The newlyweds return from their honeymoon to find an invitation to meet Princess Fiona's parents in the kingdom of Far, Far Away.

#### ◀ I, ROBOT

Will Smith keeps overactive robots in check in this futuristic sci-fi flick that asks the question "What if humans become too dependant on robots?"

#### BIGGER. BETTER. MORE ABSORBENT. ▶

Moving to the big screen means more responsibilities for Spongebob and Patrick in *The Spongebob Squarepants Movie*. They have to rescue King Neptune's crown aaaaand foil Plankton's plan to steal the Krabby Patty recipe!

# SPORTS

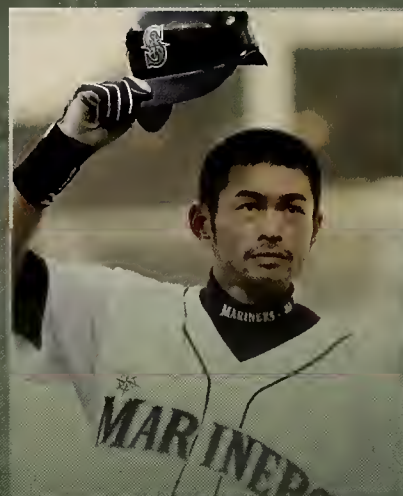

## IT'S HOW YOU PLAY THE GAME

Every year, athletes set out to break records set in years past. This year was no different, but brought added drama. Would the mighty BoSox break the Curse of the Bambino? Would Lance win six in a row? Would the Patriots win again? These questions weren't answered without a little bit of nail-biting. Hockey and basketball fans followed Court TV more closely than ESPN this year, hoping to see an end to the NHL lockout or hear the latest on the charges pressed against NBA players after the Staples Center brawl that occurred in November. How's THAT for drama!?

### ▲ SUPER BOWL XXXIX

For the third time in four years, the New England Patriots win the Super Bowl by three points, this time against the Philadelphia Eagles.

### ▲ HIT RECORDS

Ichiro Suzuki of the Seattle Mariners racks up a record 262 hits in a single season.

### ◀ IT'S GOTTA BE THE SOX!

The Boston Red Sox stage a dramatic 0-3 comeback against the New York Yankees in the American League Championship Series. They go on to sweep the St. Louis Cardinals 4-0 in the World Series, breaking the 86-year-old "Curse of the Bambino" and bringing a collective sigh of relief to Red Sox fans everywhere.

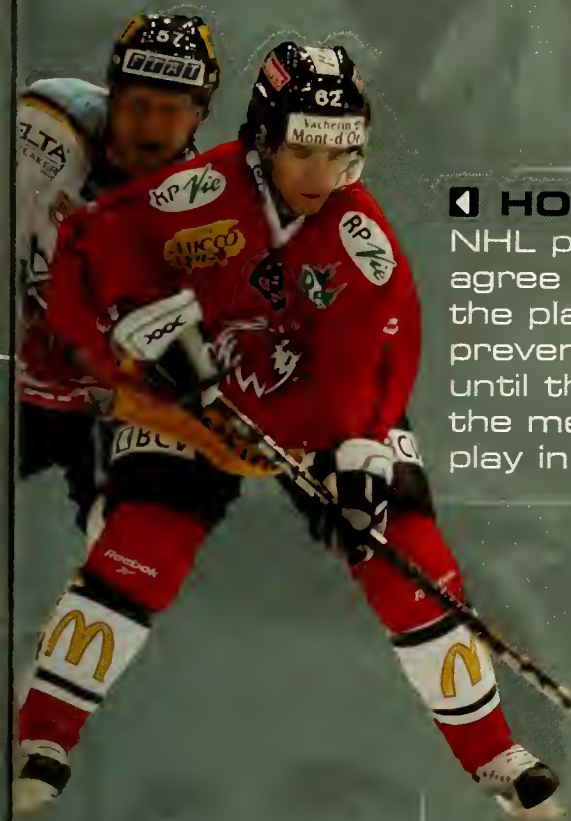

## ESPN TURNS 25 ▶

Alpha-anchor Chris Berman and the rest of the cable sports network's knowledge base celebrate ESPN's 25th birthday in 2004.

## ▶ HOCKEY LOCK-OUT

NHL players and owners can't agree on financial issues, so the players stage a lockout, preventing the NHL from playing until the issues are resolved. In the meantime, many NHL stars play in European leagues.

## GIRL ▶ POWER

During the 2004 X-Games, Lyn-Z Adams Hawkins wins the first women's vert ramp gold.

## ▶ BASKET BRAWL

Indiana Pacers player Ron Artest faces a misdemeanor charge in the brawl between fans and players during a game against the Detroit Pistons

## ▶ FREDDY'S FOOTWORK

DC United's Freddy Adu becomes the youngest and highest-paid player in Major League Soccer. At only 15, Freddy scores five goals in his first season.

## CYCLING'S SIX-SHOOTER ▶

Cyclist Lance Armstrong puts his US Post Office-sponsored team in the record books by winning the Tour de France an unprecedented six consecutive times.

## OLYMPICS '04

In 2004 the Olympic Games returned to Greece, their birthplace. A total of 10,500 athletes from 202 countries competed, a record turnout despite speculation of terrorism and anti-Americanism. The United States took home more medals than any other country -103, 35 of them gold.

Mia Hamm (above), one of the most famous U.S. soccer stars, announced her retirement and blew a good-bye kiss to the crowd after her team secured a gold medal. "There are only a few times in your life when you get to write the final chapter the way you want," said Hamm about the USA's gold medal.

Justin Gatlin, Bernard Williams and Shawn Crawford (above, L-R) of the U.S. swept the men's 200-meter final, after their introduction generated boos and heckling from the crowd in Olympic Stadium. The fans were upset that the Grecian sprinter Kostas Kenteris wasn't allowed to compete due to drug charges.

# MUSIC

## ARTISTS ARE VARIOUS AND NEFARIOUS

Musicians often stay in the spotlight by breaking out of their mold and trying new things. This year, Sean "Puffy" Combs took the lead role in a Broadway play, Gwen Stefani took a break from No Doubt to release a solo album, and Green Day brought us their first concept album. But Ashlee Simpson's unexpected antics garnered the most attention: She was busted lip-synching on Saturday Night Live, and was later booed after her performance at the FedEx Orange Bowl.

### ▼ THE GREEN PARTY

Green Day releases their album *American Idiot*, showing a more mature, politically-minded side than we've seen in the past.

### ▲ RAISIN' THE ROOF

Sean Combs took off his VOTE OR DIE t-shirt to play the role of Walter Lee Younger in the Broadway production of *A Raisin In The Sun*.

### ▲ USHER SWEEPS UP

R&B artist Usher wins big at the American Music Awards, MTV MVA's and Grammys.

### GWEN IN DOUBT ▶

Gwen Stefani takes a break from fronting No Doubt to release her first solo album, *Love, Angel, Music, Baby*. But "solo" doesn't mean "alone;" she collaborates with Dr. Dre, Linda Perry, and André 3000, to name a few.

### ◀ SISTER ACT

Ashlee Simpson follows in her sister Jessica's footsteps with a hit CD and her own reality show on MTV.

### JOSS STONE ▶

17-year-old British singer Joss Stone releases her second album, *Mind, Body and Soul*, completes a successful US tour and performs for VH1's *Divas 2004*.

### ◀ LORD OF THE LINE DANCE

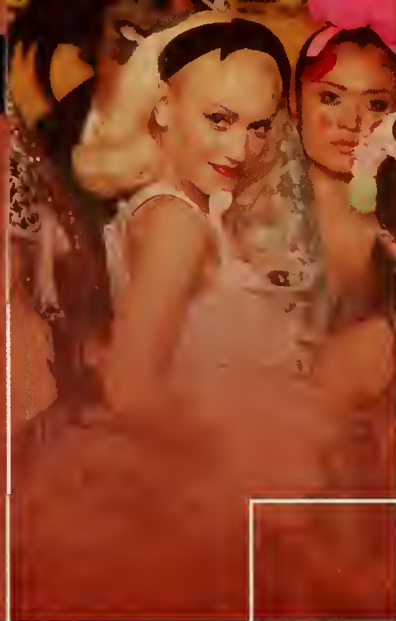

Country artist Kenny Chesney tops charts with his CD *When The Sun Goes Down*.

### ▶ RAP VAN WINKLE

After sleeping for six years without an album, The Beastie Boys release *To The 5 Boroughs*, and wake up to find that they are collectively almost 120 years old!

### RED ROCKERS ▶

Maroon 5 stay on tour, and stay on the iTunes "Most Downloaded" chart all year!

## PLENTY OF REASONS TO STAY HOME

While there were still a slew of "Survivor-esque" reality shows on the tube this year, we also saw more and more renovation-driven reality programs as Americans took an interest in redecorating their homes or "pimping their rides." But there was also evidence that Hollywood hadn't written off its writers completely. Well-penned dramas like *CSI:NY* and *Lost* gave us a great escape from reality, while Comedy Central's *The Daily Show* gave the nightly news a slant that caused us to laugh out loud.

### ▼ BIKERS THAT BICKER

Reality renovation show *American Chopper* is a favorite among those who enjoy watching mechanics practice their craft, and those who enjoy seeing father and son argue while they work.

### "YOU'RE FIRED" ►

In *The Apprentice*, competition and boardroom drama escalate until one winner is given a dream job with The Trump Organization and a six-figure salary.

### ◀ THE OUTLAW JESSE JAMES

Sparks fly as teams race to build hot rods and race cars in *Monster Garage*, hosted by Jesse James.

### WATCHING THE ► DETECTIVES

This year CSI took their high-tech forensic investigations to the city that never sleeps in *CSI: New York*.

### WHERE ARE WE? ▶

*Lost* follows 48 castaways who try to survive on a deserted island. Luckily, none of them are named Gilligan.

### ◀ DAILY DOSE

Comedy Central's *The Daily Show with John Stewart* is America's most trusted name in fake news.

### THE TY ▶ THAT BINDS

Ty Pennington, host of *Extreme Makeover - Home Edition*, brings people together with completely renovated homes for deserving families.

### WHO NEEDS ▶ A TRAVEL AGENT?

Grab your best friend, sister, significant other or grandma; whoever you think would be the best teammate in *The Amazing Race*, an elimination-style race around the world for a million-dollar cash prize.

### ▼ JOEY

Joey Tribbiani trades "Friends" for family when he leaves Central Perk behind and heads for Hollywood, where he takes his nephew under his wing.

## IT'S NOT SO BAD BEIN' TRENDY

Call it hip, popular or even conformist - this year's trends were more philanthropic than in years past. A little yellow bracelet raised big money for cancer research. A healthy diet has become so popular that fast-food restaurants are doing away with their "super-sized" menu items. And Ford unveiled the first Earth-friendly hybrid SUV to the delight of tree-hugging soccer moms everywhere.

### EASY TO SEE, HARD TO FIND ▶

The first five million of these Lance Armstrong Foundation bracelets sell out quickly and start a trend that raises over \$20 million in the fight against cancer.

### ◀ HOODIES OFF THE HOOK

## ◀ LOW-CARB

To attract low-carb dieters, fast-food restaurants start offering tortilla-wrapped menu items.

## ▲ LITTLE BOW WOW

Paris Hilton, Britney Spears, Milla Jovovich and P. Diddy have been trailblazers in the trend of teeny-tiny pocket-dogs.

## MOTHER EARTH'S SUV ▶

Ford introduces the first hybrid SUV. Using electric power as well as gas, the Escape Hybrid is more fuel-efficient and more environmentally friendly.

## ◀ IT REALLY HAULS

The Dodge Magnum makes grocery-getters cool again. With a 340-horsepower 5.7-liter Hemi V-8, this station wagon hauls a lot more than just cargo!

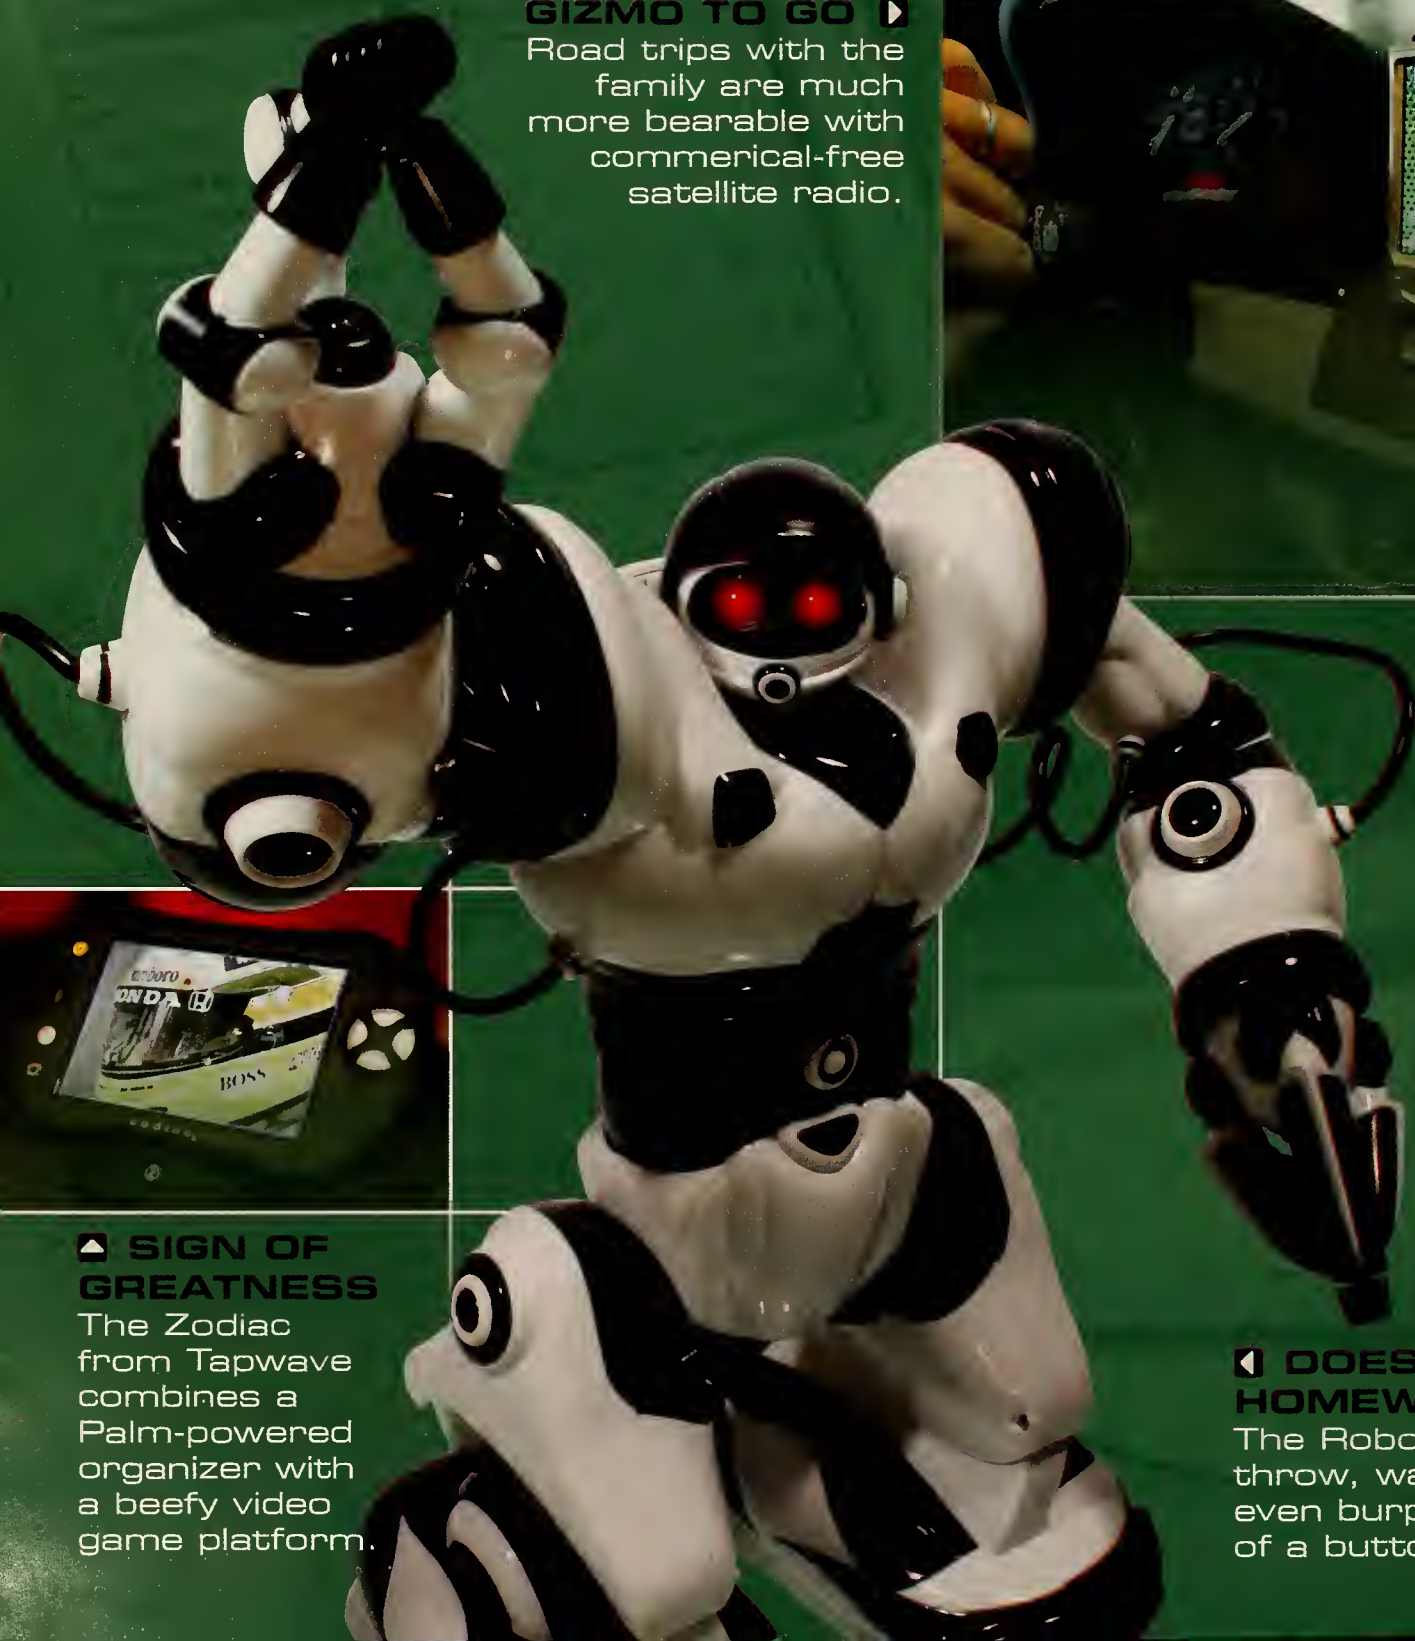

# TECH GEAR

## GIZMOS, GADGETS AND GREAT GEAR!

Who says you can't take it with you? This year saw portables get even more popular. Sony and Nintendo each released new handheld game platforms, while Tapwave released the Palm-powered Zodiac for more organized gamers. People who take their music with them had a plethora of MP3 players to pick from, and Apple released the Mac mini, a desktop computer that challenges that whole "bigger is better" philosophy. But with all these gadgets, a bigger backpack would be nice.
